Description

Sophie Anderson (1823-1903)

Born in France to an English mother; Anderson spent some of her early life in America where she met the British portrait artist William Anderson. In 1854 they moved to London where she exhibited at the Royal Academy and the Royal Society of British Artists. Although largely self-taught she is considered one of the era's finest genre artists, one of her works recently sold for over a million pounds Sterling.
